TASTING NOTES	<i>A blend of Chardonnay and Pinot Noir, the Breathless Brut's fine mousse paints the palate with a light, refreshing effervescence. Enjoy tropical notes of guava and pineapple with citrus highlights a hint of yeast. The finish is smooth and satisfying.</i>	<i>This Breathless Blanc de Noirs has delicious flavors of brioche, and a hint of berry, with bright citrus aromas. While the fine mousse highlights these notes in the mouth, the lingering finish demands yet another taste.</i>	<i>With dramatic color and lovely aromas this sparkling wine has a round mouth feel with creaminess from the fine mousse. Bright, fresh fruit flavors of strawberry with a hint of cream and spice. The fruit is balanced by a crisp, clean finish.</i>

BREATHLESS

Breathless Wines is a family affair, built by the love of three sisters, Sharon, Rebecca, and Cynthia, and the passion for life that their mother passed down to them. The sisters, along with Breathless Winemaker Penny Gadd-Coster, are dedicated to creating refreshing method champenoise sparkling wines that pair well with life's special moments. "Breathless is about celebrating moments in life—big or small—that take our breath away," says Sharon Cohn, "We are honoring our mom, Martha, who encouraged dreaming big—'never take a breath for granted, and live life to the fullest' was her mantra." Founded in 2008, Breathless is run by the three sisters, each contributing their own knowledge and specialty in the Wine Industry. Sharon Cohn (sister 1 of 3), the "glitz, glamour and panache" behind Breathless, handles marketing; Rebecca Faust (sister 2 of 3) brings her entrepreneurial spirit and two decades in the wine industry and is the co-owner of Rack and Riddle, a highly acclaimed custom wine service; and Cynthia Faust (sister 3 of 3) brings business savvy and 20 years as a financial manager to the Breathless Brand.

VINEYARDS

The vineyards for Breathless produce grapes with complexity and structure reflective of the diverse climates of Sonoma County and the North Coast. Vineyards from Carneros, Anderson Valley, Russian River Valley and Dry Creek Valley are all home to grapes that produce Breathless Wines. Having honed in on the best vineyards, and within those—the best clones, allows the personality across vintages to achieve consistency.
