MEET THE SISTERS

Breathless Wines is a family and women-owned business created by three locally grown sisters, Sharon, Rebecca and Cynthia, inspired by their mother's passion for life. Their winemaker and honorary fourth sister Penny Gadd-Coster has 35 years of experience and is an expert in Méthode Champenoise sparkling wine production. She has been named "Winemaker of the Year," with numerous Gold, Double Gold and Sweepstakes Awards.

The vineyards for Breathless hail from Sonoma County and particularly Carneros, one of the most prestigious regions in California for sparkling wines resulting in grapes with deep complexity, acidity, and longer ripening time.
